Luke 18.9-14

Jesus teaches us not to think that we're better than others.

To God, nobody is better or worse than anyone else.

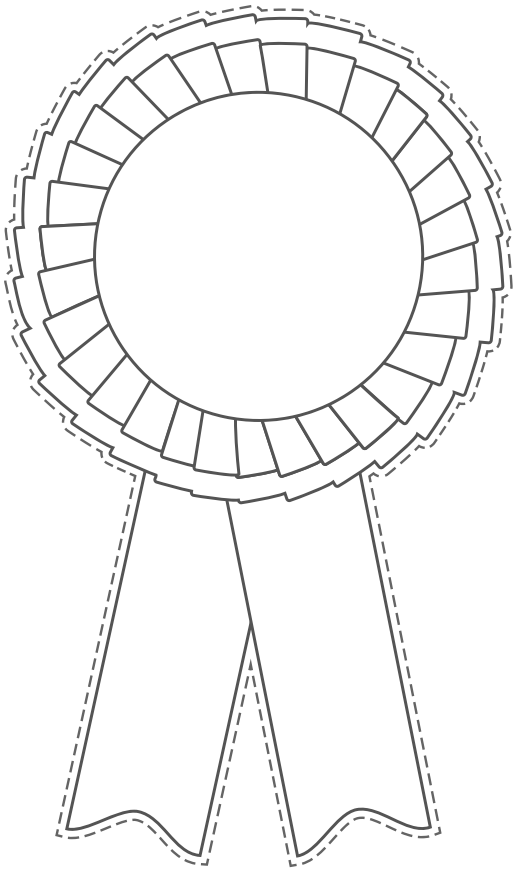

Puzzle

God can see worth in what we see as rubbish. Can you find five valued items hidden among this rubbish?

Draw

Decorate this rosette and write a message inside for someone you know that you think deserves it, then cut it out and award it to them!

Write

Fill in the table below then share it with other people. Are there things others are good at that you're not, and vice versa? What does this show you?

I am great at...
I could be better at...
